10 September 1951

MEMORANDUM TO THE FILE

SUBJECT: Conversation Between [redacted] and [redacted] in [redacted] on 7 September 1951

1. [redacted] informed [redacted] of the desire to have a psychiatric program move along at the same time as the physiological one, which will be suggested by [redacted] had definite hopes that the contribution of [redacted] and [redacted] will be immediate and significant. He is going to be in Washington on Wednesday, 12 September, and will see them then. He may or may not stop in to see [redacted] that day.

2. It was agreed that [redacted] would meet [redacted] prior to their going to see [redacted] on Thursday, 13 September.

3. [redacted] told [redacted] that [redacted] in his search for information, had had some contact with [redacted] of the [redacted] evidently has certain material bearing on this project, but is a consultant for a government agency (probably CIA), and does not feel at liberty to disclose this material. [redacted] asked what could be done about making this material available to [redacted]
